INFORMATION DISCLOSURE STATEMENT

Sir:

Further to the Information Disclosure Statement dated May 17, 2010, in which the Russian Official Action was crossed out by the Examiner presumably because of the missing date, attached is a revised form PTO/SB/08a listing the Russian Official Action and showing the date of January 29, 2010. Entry of the Russian Official Action into the record of this case is respectfully requested.

No fee is believed to be required for this submission. However, if it is determined that a fee is required (it is believed that should not be the case), please charge the deposit account of Nixon & Vanderhye, Account No. 14-1140.

Respectfully submitted,

NIXON & VANDERHYE P.C.
